### ABOUT ME

I am a full-stack web developer in progress, with a strong foundation in PHP and Laravel for backend development, and HTML, CSS, Bootstrap, JavaScript, jQuery, and AJAX for frontend functionality. I have hands-on experience in MySQL database management and understand how to design, query, and optimize databases for real projects.

### WORK EXPERIENCE

#### ittechxpert – back-end Developer

2025-NOW

Worked as a Backend Developer at **ITTechXpert**, developing and maintaining web applications using **PHP, Laravel, and MySQL**.

Built secure **APIs**, **handled server-side logic**, and integrated database operations.

Focused on optimizing performance, **implementing authentication**, and ensuring data integrity.

- Worked on two backend projects — **Crypto and Curosova** — using **PHP, Laravel, and MySQL**.
- In the Crypto project, developed a **salary management** module and implemented **ROI (Return on Investment)** calculations, displaying all relevant data in dynamic tables for admin and user views.
- In the Curosova project, integrated a **payment gateway** and implemented the **order management system**, handling **order creation**, tracking, and **database updates**.

#### Bnext AI Solution – Front-end Developer

2024-2025

I worked at Bnext AI Solution as a **Frontend Developer**, where I was responsible for creating responsive, user-friendly, and visually appealing web interfaces. My role involved translating design concepts into fully functional web pages using **HTML5, CSS3, Bootstrap, JavaScript, and jQuery**. I collaborated closely with backend developers to integrate APIs and dynamic data into the frontend, ensuring smooth functionality and optimal user experience. I also worked on improving website performance, implementing interactive features, and maintaining cross-browser compatibility to deliver high-quality web applications.

- Worked on the Blinds project as a **Frontend Developer**, designing and developing the complete frontend structure using **HTML, CSS, Bootstrap, and jQuery**.
- Created **responsive layouts**, interactive elements, and a user-friendly interface to match the **project's design requirements**.
- Ensured cross-browser compatibility and optimized the frontend for better performance.

### EDUCATION

#### 12TH PASS OUT

govt ser sec school sds ganganagar raj (India)

2020-2021

#### BACHELOR OF ART MAHARAJAGANGASINGH UNIVERSITY

Degree Collage sds Ganganagar Raj (india)

2021-2023

### SKILL

- HTML & CSS
- BOOTSTRAP & TAILWIND
- GIT & GITHUB
- JQUERY & AJAX
- PHP & LARAVEL
- WORDPRESS

### LANGUAGE

- HINDI
- ENGLISH
